

Tender Announcement

Tender Number: (G2G/A/2/2026)

Tender Name: Supply, Operation, Implementation, and Maintenance of the Electric transport System in the Petra Development and Tourism Region (Transport System Development)

The Petra Development and Tourism Region Authority (PDTRA), under projects funded by the United States Government Grant, announces the issuance of a tender for the supply, operation, implementation, maintenance, and sustainability of electric buses for sustainable environmental transport services in the Petra Development and Tourism Region, according to the routes specified in the tender document. The tender includes the supply of electric buses, their operation, maintenance, and sustainability, as well as the implementation of the necessary infrastructure to support these services, including charging and waiting stations, and the establishment of a maintenance, charging, and overnight station.

First: Tender Invitation

1. The Petra Development and Tourism Region Authority invite the companies listed below to participate and submit a tender for the operation, supply, implementation, and maintenance of electric buses for sustainable environmental transport services in the Petra Region:

- Locally licensed and qualified companies for specialized tourist transport, allowing joint ventures with suppliers of the sustainable transport system.
- Internationally licensed and technically qualified companies, either for public transport or specialized tourist transport, allowing joint ventures with suppliers of the sustainable transport system and local companies.
- Joint ventures are permitted according to the terms of reference and tender documents for this project.

2. Tender documents can be obtained free of charge by visiting the Procurement and Tenders Directorate at the PDTRA main building to obtain the documents as follows:

- Official Address: Petra Development and Tourism Region Authority / Hashemite Kingdom of Jordan / Ma'an Governorate / Wadi Musa – Petra.
- P.O. Box: 28

- Postal Code: 7810
- Phone: **+96232157093** ext. **160**
- Email as stated in the announcement for the Project Manager: hlawama@pra.gov.jo
- 3. The period for obtaining tender documents starts from the date of publication until 2:00 PM local time on Thursday corresponding to 11/06/2026.

Second: Tender Details:

1. Conditions and Requirements:

- The bidder must be capable of supplying, operating, implementing, and maintaining the electric buses according to the specifications required in the tender document, terms of reference, and annexes.
- The buses must comply with the donor's geographic code requirements (U.S. Government), as detailed in the tender document.
- The buses shall be exempt from customs, tax, and special tax upon supply, according to the procurement mechanisms approved by the donor (United States Government).
- The bidder must fully comply with the terms of reference, tender documents, and attached annexes to ensure competitiveness.
